BEAUTIFUL DISASTERS

Beautiful Disasters follows the life of Cameron Stephenson from his freshman year at Marcus High School until his death after graduation on August 11, 2005. His mom, Carolyn Zahnow, shares the story of his grief, depression, substance abuse, rehab to his final decision – ending his life. This is a helpful book for other parents experiencing similar problems with their own teens. To RSVP, email fmpl@flower-mound or call 972.874.6165.
