Effective March 16, 2020, Texas Governor Abbott suspended certain Open Meeting rules to allow telephonic or videoconference meetings of government bodies that are accessible to the public to decrease large groups of people from assembling. The suspension temporarily removes the requirement that government officials and members of the public be physically present at a meeting location. The format of Flower Mound Town Council meetings will be temporarily held via videoconference. A recording of the meeting will be available the following day at <https://www.flower-mound.com/tv>, located in the "Town Council Archive" menu.
