Krissi Oden gave the arts report. Town staff has created several virtual arts programs, one of which is the Selfie Challenge. In August there were live art classes and a scavenger hunt for younger children. The Gerault Park mural, featuring baseball and softball players, has completed

the process of accepting nominations of players originating from Flower Mound. The mural will be revealed in November for Arts Month. A mural is also planned at the CAC by Girl Scout Troop 5281 with the theme of kindness. This fall the Parks and Recreation Department will host "Chalk the Walk", a Hound Mound Halloween costume contest for dogs, and the Traffic Signal Box art contest will reopen for 3 new boxes to display art. These are just a few of the upcoming programs.

Sue Ridnour gave the Library Director's Report. The Library is nearing completion of Sensory Inclusion training. This certification given by Kulture City also includes signage, a sensory inclusion bag for customers and an app. Some of the customers at the library that will benefit from this training are persons with autism, Asperger's Syndrome, PTSD, and dementia.
