

# Paper Plate Sunflower

## You'll need:

- Yellow or white paper plate
- Black or brown paper
- Craft stick
- Leaf template (provided)
- Scissors
- Glue
- Green marker

## Instructions:

- If you're using a white paper plate, color it yellow!
- Cut notches out of your paper plate so that it looks like a flower.
- Tear up the black paper into small pieces for the center of your flower, and glue them to the center.
- Color your craft stick green so that it looks like a flower stem.
- Print and cut out the leaves. You can print them on green paper, or print on white and color them yourself. Cut them out, and glue them to the back of your craft stick, then glue the top of the stick to the back of the plate.

# Paper Rainbow

## You'll need:

- Paper plate, cut in half
- Sunrays template
- Rainbow-colored paper strips (you can also color white paper and cut it into strips)
- Glue
- Markers

## Instructions:

- Color your half paper plate to make it look like the sun. Give it a face if you'd like.
- Print out the sunrays. You can print them on yellow or orange paper, or white paper and color them yourself. Cut them out and glue 6 or 7 to the back of your plate, at the top.
- Glue the colored paper strips to the back of your sun to make the beams of the rainbow!
