Legacy Lace wigs is a company that creates custom wigs for people who are undergoing chemotherapy hair loss. We are in-network with BCBSTX and Aetna and we accept insurance for these items and have to do consultations. One room would be for consultations. We also have multi-purpose rooms for, aestheticians who would be providing services such as eyebrows, eyelashes, facials, etc. We also would have a counselor who would be responsible for counseling. We also would like to provide services for meditation and medical messages. There will also be a room that is for displaying The Ty Gallery artwork for the non-profit Tresses of Care that gifts wigs to children that suffer from medical hair loss. The Ty Gallery artwork is currently being displayed in the Flower Mound Town Hall.
